

To Whom it May Concern:

Prior to September 2025, I did not intend on being an employee of the Ohio House in 2025 and, therefore, did not maintain records or receipts for purposes of completing a 2024 Financial Disclosure Statement. Nonetheless, to the best of my ability, I have exercised due diligence and have attempted to record every instance in which I have received any reportable gifts or income that is required to be disclosed.

Sincerely,

Rep. Ashley Bryant Bailey
House District 26
